The letter is some-what desponding in tone. It seems to contess that their whole resource to carry the three States above mentioned on the 14th of this menta depends on money, bragging, corruption and improper proceedings. The fright in Pennsylvania is deplorable among the disunion democracy. In Forney's Philadelphia organ we find a list of a bundred stump orators set down to speak, among whom are half a dozen from the South, for the purpose, we suppose, of teaching the beauties and constitutional pro-priety of establishing slavery in Kansas by the aid of bayonets and bloodletting, under the superintendence and direction of Pierce. er's bosoms .- N. Y. Tribune. IMPROVEMENTS IN Kilbourn City .- We hear, all nost daily, of sales being made in our place for building purposes; and from present appearances quite a number of new buildings will be jut up this fall. Several new buildings are under way, and we hear of arrangements for starting several soon. Considering the late opening of our town to the public, its increase and prospects for the rest of the fail are truly encoura; ing; and if there is any dependence to be pliced upon the "signs of the times" there will be a rush in the spring. But those who con e this fall, we have no doubt, will reap adventages more than sufficient to repay them for any sacrifices the may make to get here early .- Kilbourn City Union.

Sheriff Giles overhauled him about two miles from this city, found the earing in his mouth, where he attempted to conceal it, and the other articles in a field where he had secreted them on discovering that he was pursued. He was committed to jail on failure to give \$600 bail for his ap learance at the next term of the Cir cuit Cour ; for trial .- Watertown Dem. 9th inst.

> A Firs .- Last Monday about 4 o'clock in the afternoon, a fire broke out in a building in the rear of the Methodist Church, used by Gebhard & C ristiat as a brass foundery and coppersmith thop. They were smelting when the flaties bre ke out. Their loss is about \$1000 Frederick Wener, the barber, lost some \$400 and the he irs of Francis Thomas about the same amount. Several old tenements of no great value, and a considerable quantity of wood were consumed.—Watertown Democrat Sta.

SQUIRE ELS.—The country in many places is alive wi h these little mischievous fugitives from the 1 orth. - Grant Co. Herald.

THE NEWS IN TROUBLE.-The News speaks quite angrily against "the brazen effrontery of temales who intride themselves upon our premises in the character of beggars for bleeding Kansas."

The other day it called the ladies who got up the Kansas dinner," withered old hags."-It also declares that those who went to Kansas from this city were " ragged and starving vagabonda."

Ladies must not trouble the News so. They will spoil its sweet temper, and its gracious

FIRES AND RAILROAD ACCIDENTS .- The New York Journal of Commerce says that the total loss by fires in the United States, during the last month, so far as information has been received, is \$1,336.000; making the total for the year, thus far, \$15,480,000. The nulmber off large fires in September, was twenty-seve? During the month, there were six accidents to railway trains, four of which were occasioned by collision, and two by the breaking of axles. Twenty-one persons were killed and twenty-

A ROLLING BALL .- The Boston Post says that "the ball is kept rolling in Pennsylvania." -But lit is like that proverbial ball which gathers no moss. The Buchanan ball is kept rolling, but the more it rolls the smaller it becomes, by rubbing against Republicanism.

There will be Republican Mass Meeting at Genera, Walworth Co., on the 15th inst. A large number of speakers are expected atobe present; among them is the editor of this to offer those who may consult usual the satisfication and paper, who cannot attend.

BELOIT R. R .- The contract to build and complete the Milwaukee & Beloit R. R. from Milwaukee to East Troy, about 32 miles, has been let to Messrs. Wm Mullius & Co., of Steubeaville, Ohio, with whom two other responsible parties are interested. The contract provides for commencing the work at once, and completing the same on or before Sept. 1,

FREMONT ELECTORAL TICKET IN MISSOU RI .- We learn from the St. Louis Republican that a call for a mass meeting of Fremouters in that city, to fix upon an electoral ticket, has been circulated for reveral days past, and has received the signatures of very respectable gentlemen. A very respectable vote for Fremont & Dayton, will be polled in Missouri.

NEW YORK, Oct. 9. The steamer Niagara arrived at New York the 9th, with European dates to the 27th ult. It is anticipated that the appearance of the English and French fleets before Naples would be the sit nal for an insurrection on the part of the people, and the King was taking every precaution to guard against the event.

It is also stated that Russia is trying to evade some of he provisions of the settlement. The Austrian government has thrown into prison 11 of the officers and of the men of the Italian Legion who had returned to Lombirdy, which will probably lead to an energetic proclamation on the part of the

English rovernment. All these statements combined, have contributed o produce a depressing effect on the London and Paris money market. Among the passengers by the Arago, are M.

Bonaper e, of Baltimore, Col. Ctlovets Tata, America i minister at Brussels, and J. R. Sullivan, E. I. late U. S. Consul at Bayonne. Madison, Oct. 9-3 P. M. L. Campany juvite prospects with plans and specifications, until Wednesday noon. October 15th next, for building a bridge ever the Wisconsin River, on the line of their Road. This Road extends in a morthwesterly direction scross the State from Milwankes on Lake Michigan, to La Crosse on the Mississippi River, crossing the Wisconsin River at this point runs in a rocky bed, the banks of which are vertical rich blusts to the beight of 80 feet above the water at which point they are at the grade line of the Road, and about 300 feet apart. The water is about 20 feet deep, he ving in the middle of the stream a few feet of sand overlaying the rock bottom—It is proposed to erect two piers about 50 feet from el ther bank, at which points the water is shout 5 feet deep, at low water, with a clean rock bottom, giving a span in the middle of 200 feet, and two short spans at the onda, resting upon the natural rock as shutments. It is desirable so to construct the brid sea to give a wagon way below the Rallroad track, presing the latter over the higher section of the bridge.

The Company secret the right to award the contract in any parties on any plan furnished; but in case of their giving the contract to any haider on a plan turnished by any other person, they will pay to the person furnished in till consideration of the pina and apsetications to adopted.

We here with send you a confidence of a cure perform of by the use of only one battle of the German Riners. We think Mr. Clark to be a man of veracity, and have modoubt of the truth of the story:

MESERS Jos. B. HALL & Co.—Gerkhmen: In unswell your linguistic, I will sente that my daughter aged IC, has been compaining of a pain in her side for G or 7 years, and about the 1st of January last, was taken down and confined to her bed. The pain in her side was very covere, healdes being troubled with pains between her shortders and in her breast. From reading a number of cure performed by Hoofland's German Bitters, I was in durchased once lastle. She had taken it but five days when she because to improve, and now after taking only one bottle, she is eaf sping better leadth than she has for years. She leeds no pain in her side or any part of her body, and altibutes her care entirely to the German Bitters.

CRAMPS.—THE MOST EFFICIENT REMEDY for enemps in the stomoch. Cholora Morbus, or any other stomach decangement, is the free use of Dr. J. Hostetter's Stomach Birters. The coming season generally brings its periodical diseases, all of which can be avoided by a timely use of these Bitters. Therefore, every tamey should be supplied with mean in time. As a family mealcher, they have no equal. Their medical virtues have been tested by our nost eminent physicians and adopted in their practice whomever a tonic is required.
